A.Â Antonov:// CS1471: An object with the type `namespace.AnonymousType` is not assignable to type `string' // Line: 11 namespace AnonymousType { public class AnonymousType { public void Foo() { } } static class

```
Method { public static void Foo() { } } class Program {
static void Main() { // Bar.Foo() AnonymousType.Foo();
    method.Foo(); new Bar().Foo(); // Foo().Foo()
    AnonymousType.Foo(); method.Foo(); new Bar().Foo();
Program.Foo().Foo(); } } }
```

Testing the usefulness of a scale assessing the level of fear of needles for screening for needle phobia among surgical patients: A methodological study. This work is a two-phased research (experiment and practical evaluation), whose goal is to check the usefulness of a questionnaire designed to assess fear of needles for screening people with needle phobia. Data were
